INCREASES

All Providers should have received a subsidy increase effective October 1, 2007. In addition, subsidy rates were increased 3 % by the COLA effective January 1, 2008. If you did not receive an increase effective these dates please contact your Shop Steward or the Union office immediately.

HEALTHCARE SURVEYS

All Providers should have recently received a health insurance survey from DFD. If you have questions or did not receive the survey, contact Penny Lewis at 609-588-2187 or the Union Office.

TIP OF THE MONTH

Keep financial records of all monthly expenses. You would be surprised what is tax deductible.
