

MAKE 2 CALLS TO FIX THE STATE HEALTH BENEFITS PLAN!

Our healthcare costs are out of control. We're fighting for legislation - S.4516/A.5337 - that would help fix the State Health Benefits Plan - **but we only have a few days left to get it passed before the NJ state budget is decided on June 30!**

Call the office of **NJ State Senate President Nicholas Scutari** at **(732) 827-7480**

Tell the person who answers the phone:

I'm calling to urge the Senate President to support S.4516 (Lagana) to fix the State Health Benefits Plan. Healthcare costs have become unbearable for New Jersey's public workforce, and we're about to get hit with yet another double digit increase. We need legislative action before June 30th!

Call the office of **NJ State Assembly Speaker Craig Coughlin** at **(732) 855-7441**

Tell the person who answers the phone:

I'm calling to urge the Assembly Speaker to support A.5337 (Verrelli) to fix the State Health Benefits Plan. Healthcare costs have become unbearable for New Jersey's public workforce, and we're about to get hit with yet another double digit increase. We need legislative action before June 30th!
